All of the guides that we used for both team building and the canopy tour were very personable and knowledgeable in their areas.

SPACE FOR ANY EVENT

Need a meeting space? No problem! We offer a unique, rustic setting in our Mill House. Built in the early 1900's, our Mill House still contains the original millstone and has been kept in great condition. Relax and enjoy this venue while you listen to the calming sound of Carver's Falls.

The Mill House can seat approximately 40-60 people. We provide water, coffee, tea, hot chocolate, a screen, and a projector for meetings upon request. Enjoy nature for your next event!

*Reservation fee for Mill House may apply.
